

**Raising a glass:**

Investment Sense financial adviser Bev Stoves, left, marketing manager Phil Bray, and director Anna Timms at a wine-tasting evening held by the firm in support of the Nottingham Post NSPCC Business Challenge. Guests got the chance to taste fine wines at Weavers on Castle Gate, and also got the chance to explore the building's wine cellar cave. The Post is asking firms to back our campaign to raise cash for the ChildLine base in Nottingham, and to support the NSPCC Helpline for adults with concerns about a child.
